

Ksania Mariash

ILLUSTRATOR AND 2D ANIMATION ARTIST

PROFESSIONAL PROFILE

I am a creative and motivated 2D Animation Artist with experience in animation, concept design, and storyboard.

My skills include the Adobe suite (Photoshop, Premiere), Toon Boom (Harmony and Storyboard), and TVPaint, and I'm always learning new skills and further developing current techniques.

I work well both with a team and on my own. Since I'm interested in video game design and community, I'm part of a growing co-op that creates and develops independent games.
